JSW steel vijayanagar works wins IGMC 2025 Gold Award & Apex Award

In Picture : IGMC Gold Award

In Picture : Apex Award

JSW Steel, Vijayanagar Works achieved a major milestone at the India Green Manufacturing Challenge (IGMC) 2025 by winning the Gold Award and securing Apex Award .

This prestigious recognition by IRIM reflects our strong commitment to sustainable manufacturing and operational excellence. The auditors particularly appreciated our proactive progress in people & process safety, low-grade iron ore processing, talent management, and plant & infrastructure upgradation.

This achievement is a testament to the dedication of all teams and departments. Let us continue to strengthen our capabilities and build further on this success

JSW Steel Vijayanagar Works has won the IAQ Quality Sustainability Award 2025 (Gold) for its project “CTP Improvement through SEED Initiative”, aligned with the United Nations’ 17 Sustainable Development Goals (SDGs)

The project, focused on injecting by-product gas into the sintering bed, emerged as a National Winner after rigorous IAQ jury evaluation.

Dr. A. Veera Brahmacharyulu, GM (R&D and SS), received the award and presented the case study highlighting its quality impact and sustainability benefits.

Project Team:

Dr. A. Veera Brahmacharyulu | Mr. Ganesh Shetty | Mr. K. Sudhakar | Mr. Ankit Das | Mr. Naseem Obaid | Ms. Sinchana Gouda

Lean Six Sigma Journey – A Milestone Achievement

Heartiest congratulations to **Mr. Guru Shivaputra Karlatti** on the successful completion of his Lean Six Sigma Green Belt project titled “**Enhancement of Steam Generation at CDQ 1 & 2.**”

Through a structured, data-driven approach and effective cross-functional collaboration, the project team identified key energy-intensive areas and implemented targeted improvements. These efforts have resulted in an impressive annual savings of ₹0.53 crore, demonstrating the strong financial and operational impact of Lean Six Sigma methodologies.

The project exemplifies the disciplined application of DMAIC tools, robust stakeholder engagement, and successful validation and financial vetting, culminating in the formal award of the project completion certificate

Mr. Guru Shivaputra Karlatti
Manager
Operations, CDQ

NCQC 2025: Outstanding Dominance

NCQC 2025 witnessed an outstanding performance by JSW Steel Limited, Vijayanagar Works, reflecting a strong culture of quality, teamwork, and continuous improvement.

The convention saw large-scale participation, with 601 organizations, 179 virtual case studies, 2,209 physical case studies, 125 Kaizen & model displays, 11,296 physical delegates, 824 virtual delegates, and 500+ officials and volunteers.

All 29 teams from Vijayanagar Works earned prestigious recognition, securing

24 Par Excellence Awards,

5 Excellence Awards, and

1 Best Model Award.

Team CAL, led by **Mr. Shaswat Tiwary**, won the Best Model Award for their impactful model-based presentation. The **Process Patrol Team** (Sinter Plant-5) also received high appreciation for presenting the entire project exclusively through a working model, without PPT.

Overall, the achievements at NCQC 2025 stand as a testament to the collective excellence and strong quality mindset across departments at Vijayanagar Works.

A total of 29 teams from Vijayanagar Works participated, with higher representation from **Logistics, Energy Management, Blast Furnace, Coke Oven, and Sinter Plant, underscoring effective cross-functional collaboration.**

Quiz Champions of December 2025

On 24th December 2025 marked another exciting chapter in our journey toward building a strong TQM culture across JSW Steel. With enthusiastic participation from teams across departments, the TQM Monthly Quiz continued to encourage learning, awareness, and the spirit of continuous improvement. We thank all for their active participation and enthusiasm. Your contribution is vital to reinforcing TQM values across the organization. Let's continue to learn, improve, and grow together as One JSW Team! Keep the Momentum Going, Your Turn to Shine!

Driving excellence through 5S – Team Highlights

Special Appreciation & Recognition

Several teams and individuals are appreciated for their exemplary 5S commitment, reflecting strong TQM alignment and continuous improvement.

Ms. Kavyashree C. H. (CRM-1 SPM ECR) is appreciated for her proactive contribution in developing and effectively sustaining the 5S Model Area, setting a benchmark for workplace organization and discipline.

WRM-2 (Leader: Mr. Suresh B.) and **BRM-1 (Leader: Mr. Uttam Chand)** teams are commended for their consistent and disciplined sustenance of 1S and 2S, demonstrating strong ownership and standardization.

Coke Oven-5 (Leaders: Mr. Sekhar P. and Mr. Kiran Kumar Reddy) team is recognized for innovative maintenance practices that reflect creativity, efficiency, and a strong continuous improvement mindset.

Corex Lab (Leader: Mr. Paramesha) team is specially acknowledged for practicing 5S beyond the workplace, reinforcing it as a way of life and highlighting a deep-rooted cultural transformation.

JSW Steel Vijayanagar Wins ASSOCHAM National Water Award 2025

JSW Steel Vijayanagar Works has been conferred with the prestigious ASSOCHAM National Water Award 2025, recognizing its exemplary practices in sustainable water management and responsible water stewardship. Instituted by the Associated Chambers of Commerce and Industry of India (ASSOCHAM), this national-level award acknowledge organizations that demonstrate innovation, efficiency, and measurable impact in water conservation and management

The ASSOCHAM National Water Awards aim to promote best practices in water management, encourage technological innovation, and foster a culture of sustainability aligned with national priorities for water security. JSW Steel Vijayanagar's achievement reflects its strong adherence to TQM principles, including systematic planning, continuous improvement, data-driven decision-making, and stakeholder involvement in environmental sustainability initiatives.

Quiz Leaderboard – Current Standings (October–December)

Based on the cumulative quiz performance for October, November, and December, the current leaderboard reflects strong and consistent participation across departments. These standings represent the current leadership, with several quizzes still scheduled up to March, after which the final results will be announced. Participants are encouraged to stay engaged, keep competing, and aim for the Top 3 positions as the leaderboard remains dynamic and open for improvement.

Current Top 10 on the Leaderboard

1. Archit Kumar – PDQC
2. Ajit Jain – Central Maintenance
3. Shivashankara R – Steel Melting Shop 4
4. Kapil Agrawal – Energy Management
5. Raju – Pellet Plant 3
6. Vikas Sharma – Technology Excellence
7. Sriram Bairi – PPC
8. Trisha K – Pellet Plant 1
9. Sannidhi P – Commercial
10. Rajavali – Blast Furnace 3

With more quizzes lined up in the coming months, this is the right time to step up, participate actively, and make your mark on the leaderboard. Stay tuned for further updates as we move closer to the final declaration in March.
