

TQM SPOTLIGHT

TQM PREMIER LEAGUE _ FY26

The TQM Premier League 2026 was inaugurated on 10 January 2026 at the R&D Building – Experience Centre Forum Hall, JSW Steel, Vijayanagar, as part of the organization's ongoing commitment to Total Quality Management and continuous improvement.

TQM MODEL COMPETITION

With the theme "Value from Waste," the TQM Model Competition showcased innovative models and practical use of TQM principles, reinforcing how creativity and structured problem-solving drive sustainable value creation.

The event brought together cross-functional teams and fostered active participation through multiple knowledge-driven and practice-oriented competitions. Teams were recognized for their excellence and sustained efforts across the following categories:

Active Quizzers, Best 5S Implementation Award, Best Daily Management Practices, QMMM, Best Kaizens.

AWARDS AWARDS AWARDS

TQM MODEL COMPETITION WINNERS

The TQM Model Competition concluded with outstanding performances from teams across departments. **Team Process Patrol (SP-5)** secured the 1st Position, **Team Parwa (BF-4)** secures 2nd position, and **Team Fire Storm (HSM-2)** secured 3rd position. The winning teams demonstrated strong application of TQM principles through innovative models, structured problem-solving, and effective presentations. Their achievements reflect a high level of quality awareness, teamwork, and commitment to continuous improvement. Congratulations to all the winners for setting exemplary benchmarks in TQM excellence.

TPL POSTER COMPETITION WINNERS

Centered on the theme “**Quality**,” the TPL Poster Competition demonstrated enthusiastic participation and clear representation of TQM principles through impactful visual communication, reinforcing a strong culture of quality and continuous improvement.

Winners:

-   Karthik – RMHS
-   Akshitha K – PP-3
-   Elangovan – BF-3

We appreciate the efforts of all participants and congratulate the winners for their quality-driven approach and impactful presentations.

BEST THINK TANKERS

Blast Furnace 1 & 2 demonstrated strong alignment with QMM principles through disciplined execution and consistent performance. In recognition of their focused approach to continuous improvement, **Mr. Srinivas Rao, (Senior VP – Iron Making)**, and the team were awarded the “**Best Think Tankers**” Award.

SUDHAAR AWARD

WRM 1 & 2 set a benchmark in workplace organization by sustaining high 5S standards, reflecting strong safety practices, visual management, and shop-floor discipline. In recognition of these efforts, **Mr. Himanshu Shukla, DGM – (WRM 1 & 2), and the team** received the “**Sudhaar**” Award.

BEST ANALYTICAL THINKERS

CRM 1&2

CRM 1 & 2 demonstrated a strong culture of continuous improvement by achieving the highest number of Kaizen initiatives. The team's proactive problem-solving and high employee involvement led to impactful improvements. In recognition of this excellence, **Mr. Manjunath Swamy, (AVP – CRM 1)**, and the team received the “**Best Analytical Thinkers**” Award.

ACTIVE QUIZZERS

LOGISTICS

BEST DM PRACTICES

COKE OVEN 3&4

Coke Oven 3 & 4 showcased effective Daily Management practices through structured reviews, data-driven actions, and consistent follow-ups. The team demonstrated strong control, clarity, and accountability in operations. In recognition of this excellence, **Mr. Rajasekhar, GM – (Coke Oven 3 & 4)**, and the team received the “**Best DM Practices**” Award.

Logistics demonstrated exceptional enthusiasm, strong knowledge, and active participation throughout the quiz, reflecting a robust learning mindset and commitment to knowledge excellence. In recognition of this performance, **Mr. Sushil Nowal, (EVP – Logistics, Steel & Coated Business)**, and the team received the “**Best Active Quizzers**” Award.

NCQC 2025 – RESULTS & KEY INSIGHTS

The NCQC 2025 evaluations highlighted the importance of strong fundamentals, structured application, and effective communication.

Key observations from the analysis:

- The Knowledge Test played a decisive role in overall rankings.
- Presentations acted as a key differentiator among closely ranked teams.
- Case Study performance showed wide variation, reflecting differences in analytical depth and benchmarking strength.
- Teams with balanced performance across all categories achieved the best overall results.

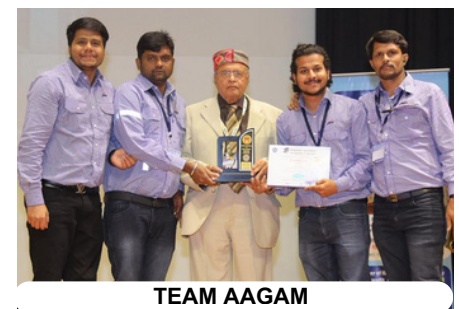

Category-wise Top Performers:

- **Knowledge Test: WHEELZ**
- **Case Study (Pre-Evaluation): AAGAM**
- **Presentation: AAGAM, SAVIOUR, ENVIRO DEWATERS**

Congratulations to all winning and participating teams for demonstrating a strong culture of learning, problem-solving, and continuous improvement. Let us build on these insights and continue raising the benchmark together.

TEAM WHEELZ

LEAN SIX SIGMA BLACK BELT PROJECT EXCELLENCE

Hearty Congratulations to **Mr. Ajay Kumar E and Team**

We are pleased to recognize the successful completion of the Lean Six Sigma Black Belt project by Mr. Ajay Kumar E and his team. The project delivered a 4.2% improvement in sales within the **SBU-A CRM segment**, resulting in annual savings of ₹2.01 Crore.

- This accomplishment highlights effective data-driven decision-making, strong cross-functional teamwork, and rigorous adherence to the DMAIC methodology, contributing meaningfully to operational excellence and long-term business sustainability.

Mr. Ajay Kumar

Hearty Congratulations to **Mr. Rajeev Kumar MS**

We are pleased to acknowledge the successful completion of the Lean Six Sigma Black Belt project by Mr. Rajeev Kumar MS. The project, titled "Reduction in Crop Loss (0.55% to 0.50%) to Increase Coil Yield," has delivered annual savings of ₹3.31 Crore.

The achievement demonstrates robust analytical thinking, seamless collaboration across functions, and disciplined execution of the DMAIC framework, reinforcing the organization's commitment to operational excellence and sustainable growth.

Mr. Rajeev Kumar MS

Hearty Congratulations to **Mr. Pankaj Kumar Singh and Team**

We are pleased to recognize the successful completion of the Lean Six Sigma Black Belt project titled "Improving Productivity of CRM-2 PLTCM by Increasing Speed (842 to 891 TPH) for Thickness < 0.85 mm." The project delivered annual savings of ₹1.02 Crore.

This success reflects the power of structured data analysis, collaborative execution, and consistent application of DMAIC principles, delivering measurable impact on operational performance and business sustainability.

Mr. Pankaj Kumar Singh

Hearty Congratulations to **Mr. Venkatesha BS and Team**

We are pleased to recognize the successful completion of the Lean Six Sigma Black Belt project titled "Optimization of MTBF in Coke Oven-4 Stamping Station (59 to 151 hrs/month)." The project delivered annual savings of ₹0.15 Crore.

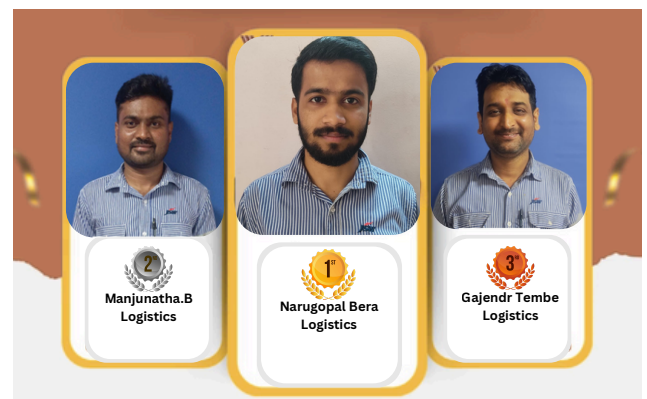

A clear example of disciplined DMAIC deployment supported by data-driven insights and cross-functional synergy, this achievement strengthens operational excellence while driving sustainable business results.

Mr. Venkatesha BS

QUIZ CHAMPIONS OF JANUARY 2026

On 24th January 2026 marked another exciting chapter in our journey toward building a strong TQM culture across JSW Steel. With enthusiastic participation from teams across departments, the TQM Monthly Quiz continued to encourage learning, awareness, and the spirit of continuous improvement. We thank all for their active participation and enthusiasm. Your contribution is vital to reinforcing TQM values across the organization. Let's continue to learn, improve, and grow together as One JSW Team! Keep the Momentum Going, Your Turn to Shine!

DRIVING OPERATIONAL EXCELLENCE THROUGH PROACTIVE INTERNAL AUDITS

Shaik Basheer , Coke Oven-5

Santhosha kumar.k, Coke Oven 3,4

Ramakrishna.S,LCP

Shashi Shankar Dayal, RMHS

Siddalingesh.F Karjagi ,
IT&Digital solutions

As part of our ISO activities, the Internal Audit activity conducted this month stands out as a key contributor to strengthening our governance and risk management framework. The Internal Audit team demonstrated exceptional commitment and professionalism through continuous audits, helping identify improvement opportunities, reinforce process controls, and ensure compliance with regulatory and organizational standards. Their proactive approach has played a vital role in risk mitigation, operational efficiency enhancement, and building greater stakeholder confidence. The expertise and dedication shown by the auditors have had a meaningful impact on driving sustainable system across functions. We sincerely appreciate the efforts of our Internal Auditors, whose contributions continue to support the organization's journey towards operational excellence. Internal Auditors who contributed to the activity are featured above.

QMML ASSESSMENT EXCELLENCE - DRI

As a key initiative under TQM, the QMML Assessment was successfully conducted across various departments to evaluate the effectiveness and maturity of QMM implementation. The assessment witnessed active participation, structured preparation, and a strong display of quality awareness across teams. Among the departments assessed, DRI stood out for its exemplary performance and disciplined approach toward QMM implementation. Their efforts were formally appreciated by the external ISO Consultant, Mr. Anand Kumar, who acknowledged the team's strong quality mindset and maturity. The DRI team demonstrated excellence through well-structured and dedicated QMM documentation, effective cross-functional involvement, clear understanding of QMM requirements, and visible ownership in implementation. Their consistency and seriousness in adopting QMM principles have set a positive benchmark for other departments to emulate. This recognition reflects the collective commitment of the DRI team towards quality excellence and reinforces the impact of structured TQM initiatives across the organization. Glimpses from the DRI QMML assessment are featured alongside.

QUIZ LEADERBOARD – CURRENT STANDINGS (OCTOBER–JANUARY)

Based on the cumulative quiz performance for October, November, and December, the current leaderboard reflects strong and consistent participation across departments. These standings represent the current leadership, with several quizzes still scheduled up to March, after which the final results will be announced.

Participants are encouraged to stay engaged, keep competing, and aim for the Top 3 positions as the leaderboard remains dynamic and open for improvement.

Current Top 10 on the Leaderboard

- Archit Kumar – PDQC
- Ajit Jain – Central Maintenance
- Kapil Agrawal – Energy Management
- Vikas Sharma – Technology Excellence
- Soumendra Samal - PPC
- Archana H - Sinter Plant 3
- GAURAV YADAV - PPC
- SRIRAM BAIRI - PPC
- Sachin B S - CRM 1
- DHARSHINI VENKATESAN - Utilities

With more quizzes lined up in the coming months, this is the right time to step up, participate actively, and make your mark on the leaderboard. Stay tuned for further updates as we move closer to the final declaration in March.

5S EXCELLENCE IN FOCUS

With reference to the previous 5S audit, the departments **BRM-2** and **PP-3** have demonstrated significant improvement in their performance in the latest assessment. This positive progress reflects focused efforts, improved workplace discipline, and consistent adherence to established 5S standards. The enhanced audit scores indicate better organization, effective standardization, and improved housekeeping practices, driven by strong team commitment and regular monitoring. These improvements not only strengthen daily operations but also reinforce a culture of continuous improvement and operational excellence.

The progress achieved by **BRM-2** and **PP-3** sets a positive benchmark for other departments and highlights the impact of sustained 5S implementation. Their efforts are a commendable example of how structured workplace practices contribute to efficiency, safety, and overall performance.
